ME & MY OLD MAN

The two questions I wish I'd asked my dad.

Asked live on a podcast. No time to think.

Here they are →

1

“Am I doing okay?”

The small one.

2

“What do you believe are the ingredients to a good life?”

The bigger one.

I’ll never get an answer
to either.

If your parent's still here, you still can.

This week.

Pick one. Ask it.
